BRITISH JOURNAL OF
NURSING

Index/volume 15

January 2006 to December 2006

TVS = Tissue Viability Supplement

A

Action, appropriate: failing to take when informed of patient's condition. *Professional misconduct.* G Castledine 564
Adherence: issues concerning in living with venous leg ulceration. *Leg ulcers* E Mudge et al 1166
Adolescents: Adam, a case study of a young person's journey through madness. *Mental health.* L Singleton 722
Advanced clinical nurses. *Advanced clinical nursing.* TD Barton . 371
Advanced clinical skills: involving NHS service users in teaching. *Patient empowerment.* C Jones 462
Advanced Medical Solutions Group plc. Are specialist nurses in wound care corrupt? *Corres* 1210
Advanced nursing practice
in cancer. *Comment.* R Behi 354
differential diagnosis in. *Diagnosis.* H Baid 1007
A&E
acute urinary retention: developing a management pathway. *Acute urinary retention.* B Anderson and A Khadra . . . 434
alcohol withdrawal and psychosis. *Clinical corner.* IPS Noonan 493
Aeromedical evacuation: collaboration in practice – assessment of an RAF CCAST. *Defence nursing.* D Lamb 552
Agalsidase alfa, intravenous enzyme replacement therapy: better in home or hospital? *Enzyme replacement therapy.* A Milligan et al 330
Age: how old is too old (or too young) to resuscitate? *Castledine column.* G Castledine 299
Ahmad-Shirvani M *see* **Mohseni-Bandpei MA et al**
Ahmed H *see* **Jones S et al**
Aids and appliances: provision of community services for a patient with multiple sclerosis. *Specialist healthcare law.* B Dimond. . 707
Alcohol abuse
detoxification implementation and clinical audit of guidelines. *Alcohol misuse.* B Taylor 30
part 1: nurses' guide to alcohol and promoting health lifestyle changes. *Substance misuse.* A Harrington-Dobinson and W Blows. 1217
survey of student nurses and midwives: smoking and alcohol use. *Substance misuse.* H Watson et al 1212
withdrawal and psychosis in A&E. *Clinical corner.* IPS Noonan 493
Alcohol consumption and extended drinking hours. *Comment.* R Higginson. 66
Ali IS *see* **Khattab AD et al**
Alternative therapies see complementary therapies
Alzheimer's disease: nursing management. *Alzheimer's disease.* M Nair 258
Amanda S *see* **Giaquinto S et al**
Analgesia, perioperative: factor in development of heel pressure ulcers? *Tissue viability.* JL Edwards . . . . . 20(TVS March)
Anderson B and **Khadra A.** Acute urinary retention: developing an A&E management pathway. *Acute urinary retention* 434
Angina: iatrogenic hypotension in an elderly man. F Lewis . . 727
Animal research: best health care possible, at least for now. *Editorial.* TD Foss. 245
Ankle brachial pressure index, Doppler ultrasound: basics revisited. *Tissue viability.* M Eagle . . . . . .24(TVS June)
Anti-embolism stockings: are they used effectively and correctly? *Tissue viability.* KA Cock . . . . . 4(TVS March)
Antimicrobial-resistant bacteria
reducing the risk of acquiring. *Infection control.* L Bissett. . . . 68
tackling MRSA needs a comprehensive approach. *Infection control.* SJ Fairclough 72
Anxiety
music-based therapy effects on distress following knee arthroplasty. *Post-surgical anxiety.* S Giaquinto et al . . . 576
perioperative: reduction and management. *Complementary therapy.* L Stirling 359
Arthritis, early, diagnosis: outcomes of a nurse-led clinic. *Nurse-led clinic.* Y El Miedany et al 395
Ascites, cirrhotic: management and nursing care. *Hepatology.* S Sargent. 212
Ashton J and **Price P.** Survey comparing clinicians' wound healing knowledge and practice. *Tissue viability* . . 18(TVS Oct)
Astles J. Extended nurse prescribing: improving care for older people. *Nurse prescribing* 150
Ataxia, progressive: centres of excellence for the care of people with. *Neurological nursing.* J Greenfield et al 933
Atopic eczema in children: a significant disease. *Childhood dermatology.* S Gill. 494
Attends Slip with S-Form: a new design of an all-in-one product. *Product focus.* C Williams and L Lorton 440
Atwal A *see* **Caldwell K et al**
Aubeeluck A *see* **Mills J and –**
Audit
catheter-associated UTI using silver alloy-coated Foley catheters. *Urinary nursing.* C Seymour 598
and implementation of alcohol detoxification guidelines. *Alcohol misuse.* B Taylor 30
peripheral venous cannulae by members of an IV therapy forum. *IV therapy.* K Bravery et al. 1244
Autar R. Evidence for the prevention of venous thromboembolism. *Thrombosis* 980
Autoimmune connective tissue disease: scleroderma. *Dermatology.* H Wilson and R Vincent 805
Avian influenza: continuing threat. *Comment.* K Davies and R Higginson. 418
Axillary node surgery: risks and benefits of needle use in patients. *Lymphoedema.* T Cole 969
Ayurvedic medicine: an introduction for nurses. *Complementary health.* A Narayanasamy and M Narayanasamy. 1185

B

Back pain, occupational in Iranian nurses: an epidemiological study. *International nursing.* MA Mohseni-Bandpei et al . . . 914
Bacteria
antimicrobial-resistant
reducing the risk of acquiring. *Infection control.* L Bissett 68
tackling MRSA needs a comprehensive approach. *Infection control.* SJ Fairclough 72
and the gastrointestinal tract: beneficial and harmful effects. *Microbiology.* M Banning. 144
Bagheri-Nesami M *see* **Mohseni-Bandpei MA et al**
Baid H
Differential diagnosis in advanced nursing practice. *Diagnosis* 1007
The process of conducting a physical assessment: a nursing perspective. *Patient assessment* 710
Banan H *see* **Khanduja V et al**
Banning M
Bacteria and the gastrointestinal tract: beneficial and harmful effects. *Microbiology* 144
Chronic obstructive pulmonary disease: clinical signs and infections. *Respiratory infection* 874
Nursing research: perspectives on critical thinking. *Nursing research.* 458
Respiratory syncytial virus: disease, development and treatment. *Respiratory infection* 751
Symptoms and treatment of polycystic ovary syndrome. *Reproductive health* 635
Barber C. Rights of those with learning disabilities. *Editorial.* 1035
Barr W *see* **Jones J et al**
Barton TD
Clinical mentoring of nurse practitioners: the doctors' experience. *Nursing practice* 820
Nurse practitioners – or advanced clinical nurses? *Advanced clinical nursing* 371
Bed occupancy, turnover interval and MRSA rates
in English hospitals. *Infection control.* JB Cunningham et al . 656
in Northern Ireland. *Infection control.* JB Cunningham et al 324
Begley CM *see* **Frawley T and –**
Behavioural phenotypes: an emerging specialist role for nurses. *Behaviour.* S Higgins and J Duffy 1176
Behi R. Advanced nursing practice in cancer. *Comment* 354
Beldon P. What price do we place on wound dressings. *Editorial* . . . . . 3(TVS March)
Bentley J. Improving quality of life in venous leg ulceration. *Tissue viability* . . . . . 4(TVS June)
Bio-electric stimulation therapy: pressure ulcer treatment. *Tissue viability.* S Hampton and F Collins . . . . . 14(TVS March)
Bipolar affective disorder: Adam, a case study of a young person's journey through madness. *Mental health.* L Singleton 722
Bissett L. Reducing the risk of acquiring antimicrobial-resistant bacteria. *Infection control.* 68
Black P. Patients need specialist, sponsored nursing posts. *Guest editorial* 1209
Bladder cancer: fluorescence diagnosis. *Urinary nursing.* K Chatterton et al 595
Bladder washout: nurse whose inexperience and negligence put her patient at risk. *Professional misconduct.* G Castledine . . . 141
Blood pressure
comparison of two methods of measurement. *Blood pressure.* S Jones et al. 948
medicines for hypertension: changes to the UK NICE guidelines. *Hypertension.* S Ransome and J Gower. . . 881
Blood transfusion
poor technique, record keeping and communication. *Professional misconduct.* G Castledine 369
pyrexia management during. *Clinical corner.* A Jones and A Pegram 257
Blows W *see* **Harrington-Dobinson A and –**
Bookless B. Making foot care a priority. *Editorial.* . . 3(TVS Aug)
Boorman P *see* **Woodrow P et al**
Bowel management: progressive protocol in spinal cord injuries. *Bowel management.* M Coggrave et al 1108
Bowers B. Evaluating the evidence for administering phosphate enemas. *Constipation management.* 378
Bravery K, Dougherty L, Gabriel J, Kayley J, Malster M and **Scales K.** Audit of peripheral venous cannulae by members of an IV therapy forum. *IV therapy.* 1244
Breast cancer awareness: Star, Posh, Hot and Prune. *Editorial.* TD Foss 967
Breast-feeding initiation among post-caesarean women of the Negev, Israel. *Breast feeding.* IR Chertok 205
Brett-Richards M *see* **Caldwell K et al**
Briggs S-L. How accurate are RGNs in grading pressure ulcers? *Pressure ulcers* 1230
Brookes S and **O'Leary B.** Feet first: a guide to diabetic foot services. *Tissue viability* . . . . . 4(TVS Aug)
Buras-Rees S *see* **Woodrow P et al**
Burnapp L *see* **Musson R and –**
Burrows D *see* **Coggrave M et al**
Business habits of highly effective nurses. *Castledine column.* G Castledine 1143
Byrne G *see* **Kelly AM and –**

C

Cacciato A *see* **Giaquinto S et al**
Caesarean delivery: breast-feeding initiation among post-caesarean women of the Negev, Israel. *Breast feeding.* IR Chertok . . . 205
Caldwell K, Atwal A, Copp G, Brett-Richards M and **Coleman K.** Preparing for practice: how well are practitioners prepared for teamwork. *Team working* 1250
Cancer: advanced nursing practice. *Comment.* R Behi 354
Cardiovascular system
cardiac nursing and coronary heart disease: reduction and holism in. *Cardiac nursing.* H Chummun 1017
cardiac patient assessment: putting the patient first. *Cardiac assessment.* C Scott and JD MacInnes 502
congenital malformations in relation to central venous access. *Cardiac nursing.* C Thompson 276
implications of genetic testing for sudden cardiac death syndrome. *Genetics.* SD Royse 1104
Care homes: pain management of older people. *Pain management.* P Schofield 509
Care plans
developing using the Roper, Logan and Tierney model. *Care plans.* M Mooney and F O'Brien 887
nurse case managers: patient care implications at a Pakistani university. *International nursing.* L Walani 912
potential of integrated multi-agency care pathways for children. *Paediatric palliative care.* R Davies 764
Carers in oesophageal cancer: experiences of patients and their partners. *GI nursing.* T Hodgson 1157
Carlisle C *see* **Jones J et al**
Carlsen B *see* **Herluísen P et al**
Carotid artery rupture
caring for people with. *Carotid artery rupture.* T Frawley and CM Begley 24
ethical issues in caring for people with. *Carotid artery rupture.* T Frawley and CM Begley 100
Carty R, Mooraby R and **Paterson J.** Evolution of a model for the thrombolysis of acute stroke patients. *Stroke management* 453
Case management programme
Corres. NK Williams and R Smith 693
evaluation of innovations in nursing practice. *Nursing models and theory.* H Patrick et al. 520
Castledine, George. *Corres.* C Morris; AA Parrish. 7
Castledine G
100 years ago in the BJN
part 3. *Professional issues* 1037
part 4. *Professional issues* 1102

Compiled by Jill C Halliday, BSc

part 5. *Professional issues* 1191
Accelerating workforce redesign: threat or stimulus. *Castledine column* 1029
Are nurses concerned over legalizing euthanasia? *Castledine column* 587
Are specialist nurses wound care corrupt? *Castledine column* 1083
Art and science of drug administration. *Castledine column*. . . 59
From the BJN over 100 years ago
The more things change.... *Professional issues* 943
Professional issues 987
Blood transfusion: poor technique, record keeping and communication. *Professional misconduct* 369
The business habits of highly effective nurses. *Castledine column* 1143
Correct use and deliberate misuse of manual lifting devices provided by the nursing home. *Professional misconduct*. 187
Current constraints on nursing education. *Castledine column*685
The dangers of the heat wave for the young, the old and the vulnerable. *Professional misconduct*. 772
